Petestive Feck and FMT seemt Albert Separe interriemed Fra. Genera L. Rime w/f60 2950 for hule Fm-6-for Remployed at Texas School Rook Brootstory, 60 yrs. The states that she worken in the office on the second floor and that she worken in the office on the second floor and that she poor to the first floor tuties a day shout L me mind 100 pm. The spear there to rich worken Apont Cavara had a the man she knows that worke on the first floor as a book filler. The has seen him several times that he has now are scheen to ber. She would not make the second to the one day but he did not saven look at her. Pic face was always starm when the matter with him as he would not meast to seroom.

One stat n she d'd not see him at any time the day of the shooting. Was in the office alone the day of the arooting heard 3 shots and did not know what had harmon ad until the Folice came in the office and told the 'resident had been shot,
